

Request For Proposals

Adult Indigent Defense Representation Services

Anticipated January 2011

Pursuant to Penal Code § 987.2, the County of San Bernardino (County) may enter into contracts for representation of adult indigent defendants the Public Defender is unable to represent. The County has historically issued combined requests for proposals (RFPs) resulting in four separate contracts, by Superior Court region --- West Valley, East Valley, North Desert and East Desert.

The current contracts, issued by the County Board of Supervisors during 2008, are in effect to June 30, 2011. The County anticipates issuing an RFP during January 2011 for four new adult indigent defense contracts by the same Court regions as previously to be effective July 1, 2011. Please check this website location for updates.
